PERFORMANCE BENCHMARKS

402.13E – Utilizing the Incident Response Pocket Guide (IRPG)

Discipline: Wildland Urban Interface FF
Effective: 8/5/2014
Revised:
Replaces:

Anne Huff, Fire Chief

I. Objective

The firefighter will demonstrate proper utilization of the Incident Response Pocket Guide to identify and describe standard safety policies and procedures to be taken for a wildland or wildland/urban interface fire incident.

II. Instructions – Procedures for Achieving the Objective

Using the IRPG you will identify and describe the standard safety policies and procedures for a wildland or wildland urban interface fire. You will begin on my instruction to start. The skill will end when you state to me that you have completed all of the identified steps. Do you understand these instructions?

III. Examiner's Note

The firefighter will not be allowed to review the performance steps at the time of testing. To meet the skill steps evaluation criteria the firefighter shall identify, describe, and explain the importance of each of the standard safety policies and procedures.

IV. Preparation & Equipment

A. Incident Response Pocket Guide (IRPG)

V. Reference Sources

A. NFPA 1051, Sections 5.1.1, and 5.3.2.
